

*MACHINING / GEAR MAKING AND REPAIR /FABRICATION / RIGGING / MILLWRIGHT SERVICES  
ENGINEERING / ELECTRICAL /FULL ON SITE SERVICES /  
FULLY CERTIFIED NYS CERTIFIED WBE AND MSHA CONTRACTORS*

## **QUALIFICATIONS:**

EuroGear USA inc is a Global leader in producing parts, repairs and engineering solutions to improve plant optimization in efficiency while lowering operational costs for our Mining and Aggregate clients around the world. From small projects to large projects EuroGear has the capabilities, experience and manpower in house or on site to meet and exceed your expectations. Euro Gear only employs the industries finest through proven track records. Your goals will be achieved by working with us.

EuroGear employs NYS Union workers, signatory with the Millwrights, Pipefitters, Ironworkers, Boil makers and Laborers. We have a qualified and certified staff, which will provide support to your facility 24/hours a day, 7 days a week for as long as your company needs services for. Most common services we offer but not limited to:

- **EQUIPMENT REMOVAL, ASSEMBLY AND INSTALLATION**
- **COMPLETE MECHANICAL SERVICES**
- **LINE BOREING**
- **RE ENGINEERING AND SOLUTION FINDINGS**
- **PROCESS PIPING**
- **RIGGING**
- **WELDING**
- **LASER ALIGNMENTS**
- **METAL FABRICATION**
- **CONCRETE**
- **ELECTRICAL SERVICES**
- **TRUCKING**

Our vision and goals are to meet your project requirements in a timely and cost competitive manner while assuring compliance to safety and quality standards. We are fully self sufficient, we have all of the tools necessary so you can focus on your job and leave the mechanical and electrical side for us.

We have a proven reputation for quality world and professionalism. We are committed to bringing our clients the highest quality craftsmanship and service you deserve.

## **SAFETY & ENVIRONMENTAL**

Safety is extremely important in the Construction Industry. EuroGear hires contractor workers trained annually and comply with MSHA Part 46 and OSHA 29 CFR 1910 Confined Space Entry and Clean Room Training.

## **LIFTING**

200 Ton Jacking system  
Kiln Saddles  
Support Bents  
14,000 lb MMV Lift Truck with Telescope Boom  
6,000 lb JCB with Telescope Boom  
Rigging Kits

## **WELDING EQUIPMENT**

Portable diesel welders, 300 to 500 amp  
Portable electric welders, 200 to 575 amp  
4 Pack Welding Unit  
8 Pack Welding Unit  
Portable gas driven Welding Machines

## **CONSTRUCTION EQUIPMENT**

80' Boom Manlift  
25' Rough Terrain Scissor Lift  
Hytorq Wrenches, 3/4" to 1 1/2" heads  
Core drill  
Air Compressors  
Optalign Laser shaft alignment system

*MACHINING / GEAR MAKING AND REPAIR /FABRICATION / RIGGING / MILLWRIGHT SERVICES  
ENGINEERING / ELECTRICAL /FULL ON SITE SERVICES /  
FULLY CERTIFIED NYS CERTIFIED WBE AND MSHA CONTRACTORS*

### **MILLWRIGHT SERVICES**

EuroGear employs the largest Millwright contractors in New York State. We are qualified to work on steam, hydraulic turbines, Gearboxes of all makes and sizes.

### **MINING-CEMENT AND AGGREGATES**

- Installation and repair of Raw Mills, Ball Mills, SAG Mills , Cement Mills and Kilns
- Replacement of Kiln Sections and Fabrication of New sections
- Converting Equipment and Conveyor Design, Manufacturing, Installations and Repairs
- Silo Foundations, removal and installation
- Installation and Repair of pendulum and crossbar coolers
- Installation and maintenance of Dust Collectors and Bag houses
- Installation, Repair and Manufacturing of Primary and Secondary Crushers. Custom Fabrication of Mantels and parts
- Demo and installation of SS and CS Hanger and Chain systems. Custom CNC fabrication of drag chain
- Kiln Hood and Trunion fabrication, repair and replacements
- Installation and maintenance of all types of material handling systems, (Bucket, drag, flex wall and belt conveyors)  
We work with and supply Goodyear (continental) to all your conveyor belting needs
- Fabrication work for all of these projects including step chutes, hoppers, silos, grizzlies, platforms, catwalks, ladders and machine guarding.
- Installation and removal process equipment such as heat exchangers, scrubbers, cooling towers, etc.
- Emergency repairs and maintenance on waste incineration facilities
- Emergency and capital improvements for state and federal agencies.
- Hydraulic Piping
- Bearing and rotor replacements
- MPI and UT checks
- SKADA verifications, vibration, heat, alignment verifications

### **EQUIPMENT LIST**

EuroGear has an extensive inventory of tools and equipment. Our tool trucks and trailers are stocked to effectively mobilize and complete your projects in a safe and timely fashion. (See Attached List)
